

The Salpim

Affiliate Partner Guide

Premium Medical Checkup Services in Seoul

The Salpim connects international patients with premium medical checkup services in Seoul, South Korea.

Our team supports international patients through the entire process, including hospital coordination, scheduling, and communication with medical staff.

Through **The Salpim Affiliate Program**, partners can introduce our services to their audience and earn commission when a patient completes a medical service in Korea.

Why Join The Salpim Affiliate Program

1 Step 1 — Register as an Affiliate

Create your affiliate account.

<https://thesalpim.com/affiliate-registration/>

Get Your Referral Link

<https://thesalpim.com/affiliate-registration/>

2 Step 2 — Get Your Referral Link

After registration, you will receive your personal referral link.

Share the Link

Share your referral link with people interested in medical checkups in Korea.

3 Step 3 — Share the Link

When someone submits the form through your link, the lead will automatically be tracked in your affiliate dashboard.

Earn Commission

When the patient completes a medical service in Korea, you receive commission according to the affiliate program structure.

Commission Structure

The Salpim affiliate program uses a tier-based commission system.

Tier 1
5%
Commission

Tier 2
7%
Commission

Tier 3
10%
Commission

Higher performance leads to higher commission tiers.

Example Promotion Message

Affiliates can use the following message when sharing their referral link:

If you are planning to visit Korea and want a professional medical checkup, we recommend **The Salpim**.

They provide premium medical checkup services in Seoul with international patient support.

You can submit your request **here**:
